

THE FLASHIER FLASHLIGHTS

XPLIGHT®
BY CARPETLIGHT

SUPER ROBUST.

Absolutely weatherproof. And so tough that a truck can roll over it without destroying it.

FITS EVERYWHERE. AND ADAPTS TO EVERYTHING.

White? Red? Infrared? The XPLight Alpha 2+ adapts to every requirement. Because it has different light colors and is dimmable.

Small pack size (11 x 11 x 3.5 cm).
Low light mode, different dimming levels.
Switchable white, red, infrared.

Internal battery with USB-C charging port.
Compatible with USB power banks to
extend runtime.
Battery level indicator.

XPLIGHT®

XPLights Alpha 2+

This mobile and ultra-light lamp can be attached anywhere with a flick of the wrist. Whether with Velcro fastener, magnet or MOLLE. On backpacks, vehicles, tents, walls or work clothing. No matter where your next assignment will take you, the XPLight Alpha 2+ will accompany you.

Velcro

MOLLE

USER SCENARIO

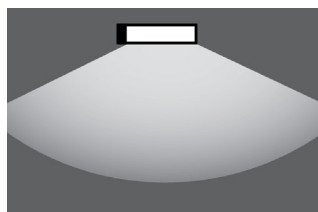

While a flashlight with its punctual light can only cover partial areas, the XPLight Alpha 2+ illuminates the entire scene. In addition, both hands are free, because the light is attached to the uniform via MOLLE.

SMALL BUT STRONG.

The XPLight Alpha 2+ is small enough to fit in every pocket and powerful enough to illuminate an entire room without glare.

Typical flashlight

XPLight Alpha 2+
